## Wastewater Training: NPDES Permits, SSOs, & DMRs Onsite Classes for:

- July 30, 2020 - Millbrook, AL
- August 6, 2020 - Troy, AL
- August 20, 2020 - Gulf Shores, AL

*The Alabama Rural Water Association, in cooperation with ADEM, is conducting a series of training classes that will highlight recent updates and requirements to the NPDES Program.*

*In addition to discussions about the updated NPDES Application Forms, there will be discussions on eSSO/SSORP requirements, an overview of MWPP Reports, Discharge Monitoring Reports, Noncompliance Notification Forms, and tips to avoid noncompliance.*

*Maintaining a good quality of life is an ongoing objective. Water is a critical resource and the best possible wastewater treatment is essential for a healthy environment and society. This training is offered for FREE. We'll see you at one of the Onsite Class Locations, or online.*
