Alabama Rural Water Association  
and the USDA Rural Development*

The Alabama Rural Water Association is providing a FREE “ **Practical Microscope Use** ” Training Session at the City Board of Education in Russellville, Alabama on September 25, 2019.

**This class is a practical training course on how to do basic slide stains and process indicators. Operators are encouraged to bring their microscopes and learn to use them more effectively. Even if your not using one now, you will after this class !**

**Bring  
Your  
Microscope !**
