

19TH ANNUAL GO

Benefiting the John A. Garrett Scholarship Fund

The Alabama Rural Water Association's Annual John A. Garrett Scholarship Fund Benefit Golf Tournament was organized in 1997 to award annual scholarships to qualifying and deserving individuals. Currently six (6), seven hundred fifty dollar (\$750.00) scholarships are awarded annually. Two (2) recipients are selected from three (3) regions; North, Central, and South Alabama. The Scholarship Program is governed by a Board of Directors consisting of Vickie Watkins, President; Mike Norris, Vice President; Randolph Hall, Secretary/Treasurer.

March 20th, 2016 was an exciting day for golf even though a brisk windy day was at hand. Participants gathered at the Robert Trent Jones Magnolia Grove Golf Course in Mobile for a day on the links. Once registered, participants were able to enjoy a bountiful strolling lunch provided by Ford Meter Box Company

which overlooked the immaculate grounds presented by the staff at the course as well as try their luck at the annual putting contest, graciously sponsored by Amerifirst Bank. Participants were also able to enjoy some time warming up and networking by the expansive driving range and practice facilities at Magnolia Grove. At 11:30 a.m., the tournament began with the welcome provided by Vickie Watkins, President of the Scholarship Program and comments from Jeff Harrison, (CDG Engineers & Associates, Inc.), Chairperson of the ARWA Golf Tournament Steering Committee. Members included Kevin Smith (Neptune Technologies), John Skipper (DPC Enterprises, L.P.), Adam Snyder (Consolidated Pipe & Supply, Inc.), Matt McGowan (Ford Meter Box Company, Inc.), and Chris Morrow (Morrow Water Technologies, Inc.) and the contestants set off for a memorable experience, all while raising money for a great cause.
